SUMMER CAMP 2018

YMCA Camp Cougar @ Mesnier Primary School

Welcome Families & Campers

At the South City Y, we have an action-packed program planned this summer, where young people can make new friends while having a whole lot of fun! The trained and dedicated staff, age-appropriate activities, new camps, field trips, team building, sports and crafts come together to make an unforgettable summer. Our focus is on developing the potential of every camper, while creating a warm and nurturing environment where all campers can play, challenge themselves, and make friends. We strive to engage our campers with mentally and physically rewarding activities that incorporate our core values of Caring, Honesty, Respect, & Responsibility.
