

## 2020 Annual Notices for the Medical Plan

---

This document contains the following notices that are required to be provided to you each year as a result of your participation in the CSD Insurance Trust health plan:

- Medicare Part D Creditable Coverage Disclosure Notice (Pg. 2)
- Medicare Part D Non-Creditable Coverage Disclosure Notice (Pg. 5)
- Notice of Grandfathered Plan Status – Anthem Premium PPO Plan (Pg. 8)
- HIPAA (Health Insurance Portability and Accountability Act) Special Enrollment Disclosure (Pg. 9)
- Women’s Health and Cancer Rights Act Annual Notice (Pg. 10)
- Newborns’ and Mothers’ Health Protection Act Notice (Pg. 11)
- Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP) Notice (Pg. 12)
- Paperwork Reduction Act Statement (Pg. 16)
- CMS Alert Regarding Collection of Information for Mandatory Insurer Reporting (Pg. 17)
- Notice Health Information Privacy Practices (Pg. 19)

## Important Notice from the CSD Insurance Trust about Creditable Prescription Drug Coverage and Medicare – Premium, Standard and KIDz Plans

The purpose of this notice is to advise you that the prescription drug coverage available under the medical plans listed in this notice sponsored by the CSD Insurance Trust (CSD) are expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2020. This is known as “creditable coverage.”

**Why this is important.** If you or your covered dependent(s) are enrolled in a CSD medical plan listed in this notice during 2020 and are or become covered by Medicare, you may decide to enroll in a Medicare coverage within 63 days of your Medicare prescription drug plan enrollment. **You should keep this notice with your important records.**

**Note:** The Anthem HSA Choice Plans offered by CSD do **not** provide creditable prescription drug coverage. If you are enrolled in (or interested in enrolling in) any drug coverage **not** listed in this notice, please review the following notice entitled “Important Notice from CSD Insurance Trust about Non-Creditable Prescription Drug Coverage and Medicare.”

### Notice of Creditable Coverage

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with CSD Insurance Trust and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

### There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

- 2. CSD Insurance Trust has determined that the prescription drug coverage offered by the CSD through their Anthem Premium PPO Plan, Anthem Standard PPO Plan and the Anthem KIDZ Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

## **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan and you are an active employee or family member of an active employee, you may also continue your employer medical coverage. Your current CSD coverage will not be affected. In this case, the CSD medical plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop CSD coverage, Medicare will be your only payer. You can re-enroll in the CSD plan at annual enrollment or if you have a special enrollment event.

## **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop, or lose your current coverage with CSD and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## **For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

### **For more information about Medicare prescription drug coverage:**

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call – 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

---

## Important Notice from the CSD Insurance Trust about Non-creditable Prescription Drug Coverage and Medicare – HSA Medical Plan Participants

The purpose of this notice is to advise you that the prescription drug coverage available under the medical plans listed in this notice sponsored by the CSD Insurance Trust (CSD) are expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2020. This is known as “creditable coverage.”

**Why this is important.** If you or your covered dependent(s) are enrolled in a CSD medical plan listed in this notice during 2020 and are or become covered by Medicare, you may decide to enroll in a Medicare coverage within 63 days of your Medicare prescription drug plan enrollment. **You should keep this notice with your important records.**

**Note:** The Anthem HSA Choice Plans offered by CSD do **not** provide creditable prescription drug coverage. If you are enrolled in (or interested in enrolling in) any drug coverage **not** listed in this notice, please review the following notice entitled “Important Notice from CSD Insurance Trust about Non-Creditable Prescription Drug Coverage and Medicare.”

### Notice of Non-Creditable Coverage

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with CSD and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

**There are three important things you need to know about your current coverage and Medicare’s prescription drug coverage:**

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. CSD has determined that the prescription drug coverage offered by the Anthem HSA Choice Plan is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the Anthem HSA Choice Plan. This also is important**

**because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.**

- 3. You can keep your current coverage from Anthem HSA Choice Plan. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.**

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan and you are an active employee or family member of an active employee, you may also continue your employer medical coverage. Your current CSD coverage will not be affected. In this case, the CSD medical plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop CSD coverage, Medicare will be your only payer. You can re-enroll in the CSD plan at annual enrollment or if you have a special enrollment event.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop, or lose your current coverage with CSD and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher

than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

#### **For more information about Medicare prescription drug coverage:**

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call – 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

---

## Notice of Grandfathered Plan Status – Anthem Premium PPO Plan

The CSD Insurance Trust believes this Anthem Premium PPO Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that you’re the plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at:

[CSDTrustSupport@WillisTowersWatson.com](mailto:CSDTrustSupport@WillisTowersWatson.com). You may also contact the U.S. Department of Health and Human Services at [www.healthreform.gov](http://www.healthreform.gov).

---

## Notice of HIPAA Special Enrollment Rights for Health Plan Coverage

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within "30 days" after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within "30 days" after the marriage, birth, adoption, or placement for adoption.

### Special enrollment rights also may exist in the following circumstances:

- If you or your dependents experience a loss of eligibility for Medicaid or a state Children's Health Insurance Program (CHIP) coverage and you request enrollment within "60 days" after that coverage ends; or
- If you or your dependents become eligible for a state premium assistance subsidy through Medicaid or a state CHIP with respect to coverage under this plan and you request enrollment within "60 days" after the determination of eligibility for such assistance.

**Notes:** The "60-day" period for requesting enrollment applies only in these last two listed circumstances relating to Medicaid and state CHIP. As described above, a "30-day" period applies to most special enrollments.

As stated earlier in this notice, a special enrollment opportunity may be available in the future if you or your dependents lose other coverage. This special enrollment opportunity may not be available when other coverage ends, however, unless you provide a written statement now explaining the reason that you are declining coverage for yourself and your dependent(s). Failing to accurately complete and return a statement for each person for whom you are declining coverage may eliminate this special enrollment opportunity for the person(s) for whom a statement is not completed, even if other coverage is currently in effect and is later lost. In addition, unless you indicate in the statement that you are declining coverage because other coverage is in effect, you may not have this special enrollment opportunity for the person(s) covered by the statement. (See the paragraphs above, however, regarding enrollment in the event of marriage, birth, adoption, placement for adoption, loss of eligible for Medicaid or a state CHIP, and gaining eligibility for a statement premium assistance subsidy through Medicaid or state CHIP.)

---

## Women's Health and Cancer Rights Act Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator at 1-833-269-2142 or email [csdtrustsupport@willistowerswatson.com](mailto:csdtrustsupport@willistowerswatson.com).

---

## **Newborns' and Mothers' Health Protection Act Notice**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

---

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

## Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email [ebesa.opr@dol.gov](mailto:ebesa.opr@dol.gov) and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 12/31/2023)

## CMS Alert Regarding Collection of Information for Mandatory Insurer Reporting

### Collection of Medicare Health Insurance Claim Numbers (HICNs), Social Security Numbers (SSNs) and Employer Identification Numbers (EINs) (Tax Identification Numbers) – ALERT

This ALERT is to advise that collection of HICNs, SSNs, or EINs for purposes of compliance with the reporting requirements under Section 111 of Public Law 100-173 is appropriate.

HICNs, SSNs, and EINs:

- The Medicare program uses the HICN to identify Medicare beneficiaries receiving healthcare services and to otherwise meet its administrative responsibilities to pay for health care and operate the Medicare program. In performance of these duties, Medicare is required to protect individual privacy and confidentiality in accordance with applicable laws, including the Privacy Act of 1974 and the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule. The SSN is used as the basis for the Medicare HICN. While the HICN is required to identify a Medicare beneficiary, if the HICN is not available, some beneficiaries may also be identified by the SSN. Please note that the Centers for Medicare & Medicaid Services (CMS) has a longstanding practice of requesting HICNs or SSNs for coordination of benefit purposes.
- The EIN is the standard unique employer identifier. It appears on the employee's Federal Internal Revenue Service Form W-2 Wage and Tax Statement received from their employer. The Medicare program uses the EIN to identify businesses. The establishment of a standard for a unique employer identifier was published in the May 31, 2002, Federal register, with a compliance date of July 30, 2004.

**A new Mandatory Insurer Reporting Law (Section 111 of Public Law 110-173) requires group health plan insurers, third-party administrators (TPAs), and plan administrators or fiduciaries of self-insured/self-administered group health plans (GHPs) to report, as directed by the Secretary of the Department of Health and Human Services, information that the Secretary requires for purposes of coordination of benefits. The law also imposes this same requirement on liability insurers (including self-insurers), no-fault insurers, and workers' compensation laws or plans. Two key elements that are required to be reported are HICNs (or SSNs) and EINs. In order for Medicare to properly coordinate Medicare payments with other insurance and/or workers' compensation benefits, Medicare relies on the collection of both the HICN (or SSN) and the EIN, as applicable.**

As a subscriber (or spouse or family member of a subscriber) to a GHP (Group Health Plan) arrangement, it is likely that your employer or insurer will ask for proof of your Medicare program coverage by asking for your Medicare HICN (or your SSN) to meet the requirements of P.L. 110-173 if this information is not already on file with your insurer. Similarly, individuals who

receive ongoing reimbursement for medical care through no-fault insurance or workers' compensation or who receive a settlement, judgment, or award from liability insurance (including self-insurance), no-fault insurance, or workers' compensation will be asked to furnish information concerning whether or not they (or the injured party if the settlement, judgment or award is based on an injury to someone else) are Medicare beneficiaries and, if so, to provide their HICNs or SSNs. Employers, insurers, TPAs, etc., will be asked for EINs. To confirm that this ALERT is an official government document and for further information on the mandatory reporting requirements under this law, please visit <https://www.cms.gov/> on the CMS website.

---

## Notice of Health Information Privacy Practices

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

CSD Insurance Trust (CSD) “the Plan” provides health benefits to eligible employees and their eligible dependents. The Plan creates, receives, use, maintains and discloses health information about participating employees and dependents in the course of providing health benefits.

For ease of reference, in the remainder of this Notice, the words “you,” “your,” and “yours” refers to any individual with respect to whom the Plan receives, creates or maintains Protected Health Information, including employees, retirees, and COBRA qualified beneficiaries, if any, and their respective dependents.

The Plan is required by law to take reasonable steps to protect your Protected Health Information from inappropriate use or disclosure.

Your “Protected Health Information” (PHI) is information about your past, present, or future physical or mental health condition, the provision of health care to you, or the past, present, or future payment for health care provided to you, but only if the information identifies you or there is a reasonable basis to believe that the information could be used to identify you. Protected health information includes information of a person living or deceased (for a period of fifty years after the death.)

The Plan is required by law to provide notice to you of the Plan’s duties and privacy practices with respect to your PHI, and is doing so through this Notice. This Notice describes the different ways in which the Plan uses and discloses PHI. It is not feasible in this Notice to describe in detail all of the specific uses and disclosures the Plan may make of PHI, so this Notice describes all of the categories of uses and disclosures of PHI that the Plan may make and, for most of those categories, gives examples of those uses and disclosures.

The Plan is required to abide by the terms of this Notice until it is replaced. The Plan may change its privacy practices at any time and, if any such change requires a change to the terms of this Notice, the Plan will revise and re-distribute this Notice according to the Plan’s distribution process. Accordingly, the Plan can change the terms of this Notice at any time. The Plan has the right to make any such change effective for all of your PHI that the Plan creates, receives or maintains, even if the Plan received or created that PHI before the effective date of the change.

The Plan is distributing this Notice, and will distribute any revisions, only to participating employees, retirees and COBRA qualified beneficiaries, if any. If you have coverage under the Plan as a dependent of an employee, retiree or COBRA qualified beneficiary, you can get a copy of the Notice by requesting it from the contact named at the end of this Notice.

Please note that this Notice applies only to your PHI that the Plan maintains. It does not affect your doctor's or other health care provider's privacy practices with respect to your PHI that they maintain.

### **Receipt of Your PHI by the Company and Business Associates**

The Plan may disclose your PHI to, and allow use and disclosure of your PHI by, the Company and Business Associates, and any of their subcontractors without obtaining your authorization.

**Plan Sponsor:** The Company is the Plan Sponsor and Plan Administrator. The Plan may disclose to the Company, in summary form, claims history and other information so that the Company may solicit premium bids for health benefits, or to modify, amend or terminate the Plan. This summary information omits your name and Social Security Number and certain other identifying information. The Plan may also disclose information about your participation and enrollment status in the Plan to the Company and receive similar information from the Company. If the Company agrees in writing that it will protect the information against inappropriate use or disclosure, the Plan also may disclose to the Company a limited data set that includes your PHI, but omits certain direct identifiers, as described later in this Notice.

The Plan may disclose your PHI to the Company for plan administration functions performed by the Company on behalf of the Plan, if the Company certifies to the Plan that it will protect your PHI against inappropriate use and disclosure.

**Example:** The Company reviews and decides appeals of claim denials under the Plan. The Claims Administrator provides PHI regarding an appealed claim to the Company for that review, and the Company uses PHI to make the decision on the appeal.

**Business Associates:** The Plan and the Company hire third parties, such as a third party administrator (the "Claims Administrator"), to help the Plan provide health benefits. These third parties are known as the Plan's "Business Associates." The Plan may disclose your PHI to Business Associates, like the Claims Administrator, who are hired by the Plan or the Company to assist or carry out the terms of the Plan. In addition, these Business Associates may receive PHI from third parties or create PHI about you in the course of carrying out the terms of the Plan. The Plan and the Company must require all Business Associates to agree in writing that they will protect your PHI against inappropriate use or disclosure, and will require their subcontractors and agents to do so, too.

For purposes of this Notice, all actions of the Company and the Business Associates that are taken on behalf of the Plan are considered actions of the Plan. For example, health information maintained in the files of the Claims Administrator is considered maintained by the Plan. So, when this Notice refers to the Plan taking various actions with respect to health information, those actions may be taken by the Company or a Business Associate on behalf of the Plan.

### **How the Plan May Use or Disclose Your PHI**

The Plan may use and disclose your PHI for the following purposes without obtaining your authorization. And, with only limited exceptions, we will send all mail to you, the employee. This includes mail relating to your spouse and other family members who are covered under the Plan. If a person covered under the Plan has requested Restrictions or Confidential Communications, and if the Plan has agreed to the request, the Plan will send mail as provided by the request for Restrictions or Confidential Communications.

**Your Health Care Treatment:** The Plan may disclose your PHI for treatment (as defined in applicable federal rules) activities of a health care provider.

- **Example:** If your doctor requested information from the Plan about previous claims under the Plan to assist in treating you, the Plan could disclose your PHI for that purpose.
- **Example:** The Plan might disclose information about your prior prescriptions to a pharmacist for the pharmacist's reference in determining whether a new prescription may be harmful to you.

**Making or Obtaining Payment for Health Care or Coverage:** The Plan may use or disclose your PHI for payment (as defined in applicable federal rules) activities, including making payment to or collecting payment from third parties, such as health care providers and other health plans.

- **Example:** The Plan will receive bills from physicians for medical care provided to you that will contain your PHI. The Plan will use this PHI, and create PHI about you, in the course of determining whether to pay, and paying, benefits with respect to such a bill.
- **Example:** The Plan may consider and discuss your medical history with a health care provider to determine whether a particular treatment for which Plan benefits are or will be claimed is medically necessary as defined in the Plan.

The Plan's use or disclosure of your PHI for payment purposes may include uses and disclosures for the following purposes, among others.

- Obtaining payments required for coverage under the Plan

- Determining or fulfilling its responsibility to provide and/or benefits under the Plan, including eligibility determinations and claims adjudication
- Obtaining or providing reimbursement for the provision of health care (including coordination of benefits, subrogation, and determination of cost sharing amounts)
- Claims management, collection activities, obtaining payment under a stop-loss insurance policy, and related health care data processing
- Reviewing health care services to determine medical necessity, coverage under the Plan, appropriateness of care, or justification of charges
- Utilization review activities, including precertification and preauthorization of services, concurrent and retrospective review of services

The Plan also may disclose your PHI for purposes of assisting other health plans (including other health plans sponsored by the Company), health care providers, and health care clearinghouses with their payment activities, including activities like those listed above with respect to the Plan.

**Health Care Operations:** The Plan may use and disclose your PHI for health care operations (as defined in applicable federal rules) which includes a variety of facilitating activities.

- **Example:** If claims you submit to the Plan indicate that you have diabetes or another chronic condition, the Plan may use and disclose your PHI to refer you to a disease management program.
- **Example:** If claims you submit to the Plan indicate that the stop-loss coverage that the Company has purchased in connection with the Plan may be triggered, the Plan may use or disclose your PHI to inform the stop-loss carrier of the potential claim and to make any claim that ultimately applies.

The Plan's use and disclosure of your PHI for health care operations purposes may include uses and disclosures for the following purposes.

- Quality assessment and improvement activities
- Disease management, case management and care coordination
- Activities designed to improve health or reduce health care costs
- Contacting health care providers and patients with information about treatment alternatives
- Accreditation, certification, licensing or credentialing activities
- Fraud and abuse detection and compliance programs

The Plan also may use or disclose your PHI for purposes of assisting other health plans (including other plans sponsored by the Company), health care providers and health care clearinghouses with their health care operations activities that are like those listed above, but

only to the extent that both the Plan and the recipient of the disclosed information have a relationship with you and the PHI pertains to that relationship.

- The Plan's use and disclosure of your PHI for health care operations purposes may include uses and disclosures for the following additional purposes, among others.
- Underwriting (with the exception of PHI that is genetic information) premium rating and performing related functions to create, renew or replace insurance related to the Plan
- Planning and development, such as cost-management analyses
- Conducting or arranging for medical review, legal services, and auditing functions
- Business management and general administrative activities, including implementation of, and compliance with, applicable laws, and creating de-identified health information or a limited data set

The Plan also may use or disclose your PHI for purposes of assisting other health plans for which the Company is the plan sponsor, and any insurers and/or HMOs with respect to those plans, with their health care operations activities similar to both categories listed above.

**Limited Data Set:** The Plan may disclose a limited data set to a recipient who agrees in writing that the recipient will protect the limited data set against inappropriate use or disclosure. A limited data set is health information about you and/or others that omits your name and Social Security Number and certain other identifying information.

**Legally Required:** The Plan will use or disclose your PHI to the extent required to do so by applicable law. This may include disclosing your PHI in compliance with a court order, or a subpoena or summons. In addition, the Plan must allow the U.S. Department of Health and Human Services to audit Plan records.

**Health or Safety:** When consistent with applicable law and standards of ethical conduct, the Plan may disclose your PHI if the Plan, in good faith, believes that such disclosure is necessary to prevent or lessen a serious and imminent threat to your health or the health and safety of others. The Plan can share health information about you for certain situations such as:

- Preventing disease
- Helping with product recalls
- Reporting adverse reactions to medications
- Reporting suspected abuse, neglect, or domestic violence

**Law Enforcement:** The Plan may disclose your PHI to a law enforcement official if the Plan believes in good faith that your PHI constitutes evidence of criminal conduct that occurred on the premises of the Plan. The Plan also may disclose your PHI for limited law enforcement purposes.

**Lawsuits and Disputes:** In addition to disclosures required by law in response to court orders, the Plan may disclose your PHI in response to a subpoena, discovery request or other lawful process, but only if certain efforts have been made to notify you of the subpoena, discovery request or other lawful process or to obtain an order protecting the information to be disclosed.

**Workers' Compensation:** The Plan may use and disclose your PHI when authorized by and to the extent necessary to comply with laws related to workers' compensation or other similar programs.

**Emergency Situation:** The Plan may disclose your PHI to a family member, friend, or other person, for the purpose of helping you with your health care or payment for your health care, if you are in an emergency medical situation and you cannot give your agreement to the Plan to do this.

**Personal Representatives:** The Plan will disclose your PHI to your personal representatives appointed by you or designated by applicable law (a parent acting for a minor child, or a guardian appointed for an incapacitated adult, for example) to the same extent that the Plan would disclose that information to you. The Plan may choose not to disclose information to a personal representative if it has reasonable belief that: 1) you have been or may be a victim of domestic abuse by your personal representative; or 2) recognizing such person as your personal representative may result in harm to you; or 3) it is not in your best interest to treat such person as your personal representative.

**Public Health:** To the extent that other applicable law does not prohibit such disclosures, the Plan may disclose your PHI for purposes of certain public health activities, including, for example, reporting information related to an FDA-regulated product's quality, safety or effectiveness to a person subject to FDA jurisdiction.

**Health Oversight Activities:** The Plan may disclose your PHI to a public health oversight agency for authorized activities, including audits, civil, administrative or criminal investigations; inspections; licensure or disciplinary actions.

**Coroner, Medical Examiner, or Funeral Director:** The Plan may disclose your PHI to a coroner or medical examiner for the purposes of identifying a deceased person, determining a cause of death or other duties as authorized by law. Also, the Plan may disclose your PHI to a funeral director, consistent with applicable law, as necessary to carry out the funeral director's duties.

**Organ Donation:** The Plan may use or disclose your PHI to assist entities engaged in the procurement, banking, or transplantation of cadaver organs, eyes, or tissue.

**Specified Government Functions:** In specified circumstances, federal regulations may require the Plan to use or disclose your PHI to facilitate specified government functions related to the military and veterans, national security and intelligence activities, protective services for the president and others, and correctional institutions and inmates.

**Research:** The Plan may disclose your PHI to researchers when your individual identifiers have been removed or when an institutional review board or privacy board has reviewed the research proposal and established a process to ensure the privacy of the requested information and approves the research.

**Disclosures to You:** When you make a request for your PHI, the Plan is required to disclose to you your medical records, billing records, and any other records used to make decisions regarding your health care benefits. The Plan must also, when requested by you, provide you with an accounting of disclosures of your PHI if such disclosures were for any reason other than Treatment, Payment, or Health Care Operations (and if you did not authorize the disclosure).

#### **Authorization to Use or Disclose Your PHI**

Except as stated above, the Plan will not use or disclose your PHI unless it first receives written authorization from you. If you authorize the Plan to use or disclose your PHI, you may revoke that authorization in writing at any time, by sending notice of your revocation to the contact person named at the end of this Notice. To the extent that the Plan has taken action in reliance on your authorization (entered into an agreement to provide your PHI to a third party, for example) you cannot revoke your authorization.

Furthermore, we will not: (1) supply confidential information to another company for its marketing purposes (unless it is for certain limited Health Care Operations); (2) sell your confidential information (unless under strict legal restrictions) (to sell means to receive direct or indirect remuneration); (3) provide your confidential information to a potential employer with whom you are seeking employment without your signed authorization; or (4) use or disclose psychotherapy notes unless required by law.

Additionally, if a state or other law requires disclosure of immunization records to a school, written authorization is no longer required. However, a covered entity still must obtain and document an agreement which may be oral and over the phone.

#### **The Plan May Contact You**

The Plan may contact you for various reasons, usually in connection with claims and payments and usually by mail.

You should note that the Plan may contact you about treatment alternatives or other health-related benefits and services that may be of interest to you.

## **Your Rights With Respect to Your PHI**

**Confidential Communication by Alternative Means:** If you feel that disclosure of your PHI could endanger you, the Plan will accommodate a reasonable request to communicate with you by alternative means or at alternative locations. For example, you might request the Plan to communicate with you only at a particular address. If you wish to request confidential communications, you must make your request in writing to the contact person named at the end of this Notice. You do not need to state the specific reason that you feel disclosure of your PHI might endanger you in making the request, but you do need to state whether that is the case. Your request also must specify how or where you wish to be contacted. The Plan will notify you if it agrees to your request for confidential communication. You should not assume that the Plan has accepted your request until the Plan confirms its agreement to that request in writing.

**Request Restriction on Certain Uses and Disclosures:** You may request the Plan to restrict the uses and disclosures it makes of your PHI. This request will restrict or limit the PHI that is disclosed for Treatment, Payment, or Health Care Operations, and this restriction may limit the information that the Plan discloses to someone who is involved in your care or the payment for your care. The Plan is not required to agree to a requested restriction, but if it does agree to your requested restriction, the Plan is bound by that agreement, unless the information is needed in an emergency situation. There are some restrictions, however, that are not permitted even with the Plan's agreement. To request a restriction, please submit your written request to the contact person identified at the end of this Notice. In the request please specify: (1) what information you want to restrict; (2) whether you want to limit the Plan's use of that information, its disclosure of that information, or both; and (3) to whom you want the limits to apply (a particular physician, for example). The Plan will notify you if it agrees to a requested restriction on how your PHI is used or disclosed. You should not assume that the Plan has accepted a requested restriction until the Plan confirms its agreement to that restriction in writing. You may request restrictions on our use and disclosure of your confidential information for the treatment, payment and health care operations purposes explained in this Notice. Notwithstanding this policy, the plan will comply with any restriction request if (1) except as otherwise required by law, the disclosure is to the health plan for purposes of carrying out payment or health care operations (and it is not for purposes of carrying out treatment); and (2) the PHI pertains solely to a health care item or service for which the health care provider has been paid out-of-pocket in full.

**Right to Be Notified of a Breach:** You have the right to be notified in the event that the plan (or a Business Associate) discovers a breach of unsecured protected health information.

**Electronic Health Records:** You may also request and receive an accounting of disclosures of electronic health records made for treatment, payment, or health care operations during the prior three years for disclosures made on or after (1) January 1, 2014 for electronic health records acquired before January 1, 2009; or (2) January 1, 2011 for electronic health records acquired on or after January 1, 2009.

The first list you request within a 12-month period will be free. You may be charged for providing any additional lists within a 12-month period.

**Paper Copy of This Notice:** You have a right to request and receive a paper copy of this Notice at any time, even if you received this Notice previously, or have agreed to receive this Notice electronically. To obtain a paper copy please call or write the contact person named at the end of this Notice.

**Right to Access Your PHI:** You have a right to access your PHI in the Plan's enrollment, payment, claims adjudication and case management records, or in other records used by the Plan to make decisions about you, in order to inspect it and obtain a copy of it. Your request for access to this PHI should be made in writing to the contact person named at the end of this Notice. The Plan may deny your request for access, for example, if you request information compiled in anticipation of a legal proceeding. If access is denied, you will be provided with a written notice of the denial, a description of how you may exercise any review rights you might have, and a description of how you may complain to Plan or the Secretary of Health and Human Services. If you request a copy of your PHI, the Plan may charge a reasonable fee for copying and, if applicable, postage associated with your request. However, if you, or a third party requests a copy of your PHI, the fee limitations set out in the rules will apply only to your individual request for access to your own records but these fee limitations will not apply to an individual's request to transmit records to a third party.

**Right to Amend:** You have the right to receive an accounting of certain disclosures made of your health information. Most of the disclosures that the Plan makes of your PHI are not subject to this accounting requirement because routine disclosures (those related to payment of your claims, for example) generally are excluded from this requirement. Also, disclosures that you authorize, or that occurred more than six years before the date of your request, are not subject to this requirement. To request an accounting of disclosures of your PHI, you must submit your request in writing to the contact person named at the end of this Notice. Your request must state a time period which may not include dates more than six years before the date of your request. Your request should indicate in what form you want the accounting to be provided (for example on paper or electronically). The first list you request within a 12-month period will be free. If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

**Accounting:** You have the right to receive an accounting of certain disclosures made of your health information. Most of the disclosures that the Plan makes of your PHI are not subject to this accounting requirement because routine disclosures (those related to payment of your claims, for example) generally are excluded from this requirement. Also, disclosures that you authorize, or that occurred more than six years before the date of your request, are not subject to this requirement. To request an accounting of disclosures of your PHI, you must submit your request in writing to the contact person named at the end of this Notice. Your request must state a time period which may not include dates more than six years before the date of your request. Your request should indicate in what form you want the accounting to be provided (for example on paper or electronically). The first list you request within a 12-month period will be free. If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

**Personal Representatives:** You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. The Plan retains discretion to deny a personal representative access to your PHI to the extent permissible under applicable law.

### **Complaints**

If you believe that your privacy rights have been violated, you have the right to express complaints to the Plan and to the Secretary of the Department of Health and Human Services. Any complaints to the Plan should be made in writing to the contact person named at the end of this Notice. The Plan encourages you to express any concerns you may have regarding the privacy of your information. You will not be retaliated against in any way for filing a complaint.

### **Contact Information**

The Plan has designated Willis Towers Watson as its contact person for all issues regarding the Plan's privacy practices and your privacy rights. You can reach Willis Towers Watson/CSD Trust Support at: 101 S. Hanley Road, St. Louis, MO 63105 or [csdtrustsupport@willistowerswatson.com](mailto:csdtrustsupport@willistowerswatson.com).
